✓ **Easy Install**

Description

Zintra Emboss Panels brings a touch of luxury to acoustic solutions, combining timeless craftsmanship with advanced technology. These tactile three-dimensional panels create an immersive experience that transforms the ambiance of any space. The warm heather of Zintra softens the environment, ensuring that even the most austere spaces feel inviting.

Designed for seamless installation, Zintra Emboss Panels can be installed both vertically or horizontally, offering versatile design possibilities. They provide more than just noise absorption—they tell a story with every surface. Their intricate patterns and dynamic visual effects shift with perspective, adding depth and warmth to any room, making conversations flow effortlessly without echoes or disturbances.

Ascend

Ascend captivates with its dynamic horizontal pattern, offering a striking interplay of light and shadow. Emulating the elegance of sophisticated wallpaper, this design features horizontally aligned elements that subtly guide the eye and create a sense of movement.

The variation in height adds a three-dimensional depth that transforms with changing light conditions, creating a mesmerizing visual experience. Ideal for commercial, hospitality, and care environments, "Ascend" combines aesthetic allure with functional versatility.

Available in 18 great designs.

Ascend | Celium | Constellation | Corduroy | Corduroy Fine | Cumulus | Damask | Jungle | Linked | Molecular | Rivulet | Sandglass | Scallop | Stitched | Tapestry | Tidal | Tufted | Woven

In hospitality, commercial, and care environments, Zintra Emboss Panels don't just absorb sound – they elevate spaces with their luxurious textures and calming designs, creating atmospheres that are as visually captivating as they are acoustically sound.

Please note: Zintra Emboss is suitable for single-sided applications only.

Don't just design spaces. Craft experiences.

Assembly & Delivery Ships Flat Pack

Go to the Technical Documents and download the Installation Guide for more details.

Supplied As 1 x Emboss Panel in selected pattern

Suggested Installation Go to Technical Documents and download the Installation Guide for more details.

Fabrication Techniques Utility knife and CNC with oscillating knife.

How to Specify

1. Select Emboss design
2. Select Zintra Colour

EMBOSS PANEL ASCEND

Acoustic Panels

Care Instructions

Vacuum to remove dust.

Dab Zintra with a damp clean cloth and mild solution of liquid detergent and warm water. Repeat using only clean water, then pat dry with a lint free cloth.

For difficult stains, use a solution of household bleach (10% bleach / 90% water). To remove the bleach, repeat using a clean, water dampened cloth, then pat dry.

Always test in an inconspicuous area first and if you don't see the expected results, contact us.
