CARE INSTRUCTIONS	Remove spills immediately using damp, clean cloth. Dab Zintra with a clean, soft white cloth dampened with a mild solution of liquid detergent and warm water. Repeat using only clean water, then pat dry with a lint free cloth. Avoid using wax polishes, solvents or concentrated abrasives. For more difficult stains, dampen a soft white cloth with a solution of household bleach (10% bleach / 90% water). Dab gently. Repeat using only a clean, water dampened cloth to remove bleach concentration then pat dry with a lint free cloth. Always test in an inconspicuous area first. If care instructions don't

	<p>deliver the expected results, cease cleaning method immediately and contact Baresque for assistance.</p>
ENVIRONMENTAL INFORMATION	<p>We believe in the sustainability of both our planet and our people. We do everything we can to minimise our environmental impact and create spaces that contribute to the wellness of the people that use them.</p> <p>Certified by Declare and HPD, Zintrac is made from 100% recyclable materials. It has low levels of volatile organic compounds and contains no formaldehyde. It's Red List Free and meets the Global Recycling Standard.</p> <p>Reducing noise levels, minimizing indoor air pollutants, easy cleaning and a Class A fire rating are just a few of the reasons that Zintrac is the perfect material for the green buildings of today and tomorrow.</p>
