<b>CARE INSTRUCTIONS</b>	Dab Zintra with a damp clean cloth and mild solution of liquid detergent and warm water. Repeat using only clean water, then pat dry with a lint free cloth.  For difficult stains, use a solution of household bleach (10% bleach / 90% water). To remove the bleach, repeat using a clean, water dampened cloth, then pat dry.  Always test in an inconspicuous area first and if you don't see the expected results, contact us.
