DESCRIPTION / FEATURES	Mesh Baffles - Herringbone	288 Quills
	Using a unique interconnecting system Zintra Mesh Baffles seamlessly combine style and functionality, providing scalability and cost-effectiveness for wall-to-wall solutions or dynamic focal points.
	Made from Zintra, the interchangeable, acoustically tuned 8" (209mm) quills hang from the mesh. Their lightweight materials, clever mounting system and simple mesh connectors make them easy to cut, effortless to hang and simple to configure. Wrap effortlessly around columns, with the ability to be customized on-site for hassle-free installation.
	Sold as a system, you can choose from 6 preconfigured patterns. Each system includes 1 x Powder Coated Mesh, 6 x Y-Hook Cable Hangers, 5 x Wire Rope Clamps and enough quills for your selected design.
	The Mesh Baffles hang from the ceiling using Y-Hook Cables, which efficiently distribute weight across the interconnected mesh, and minimise ceiling anchor points. These tactile marvels offer

zintra®

	multi-directional coverage, enveloping sound from all angles and achieving an NRC values up to 1.0. Designs that morph with a change in light or perspective, you can achieve multi-directional sound coverage and captivating visuals through contrasting or complementary mesh colors (choose from 12 powder coat colors). Quills are available in 24 solid PET colors, 4 timber PET, 12 Premium Wood and 18 Premium Material prints. 6 Preconfigured patterns. Modular in design. Easy to connect. Scalable. Easy install.
