| REFINISHABLE              | No formaldehyde. It's Red List Free and meets the Global Recycling  |
| CARE INSTRUCTIONS         | <p>Standard spills immediately using damp, clean cloth.</p> <p>Red Zintra with a clean, soft white cloth dampen with easy cleaning and a glass of water are just a few of the reasons why Zintra is the preferred material for the green buildings of today and tomorrow.</p> <p>Avoid using wax polishes, solvents or concentrated abrasives.</p> <p>For more difficult stains, dampen a soft white cloth with a solution of household bleach (10% bleach / 90% water). Dab gently. Repeat using only a clean, water dampened cloth to remove bleach concentration then pat dry with a lint free cloth.</p> <p>Always test in an inconspicuous area first. If care instructions don't deliver the expected results, cease cleaning method immediately and contact Baresque for assistance.</p> |
