

### Make the impossible, possible.

Individually crafted by our designers, the new Zintra collection of Premium Material prints recreate the striking aesthetics of architectural finishes with breathtaking realism and superior acoustics.

The ½" (12mm) Zintra base color has been perfectly paired to add a sense of depth, bringing crispness and clarity that's second to none.

Lightweight, versatile and durable, Premium Material adds a world of application possibilities so you can create exceptional, sustainable spaces that look as beautiful as they sound.
